

The POWER OF ONE!

Have you ever heard of the POWER OF ONE? That's the theory which says that just one person has the power to make a significant difference in people's lives. Actual scientific studies have proven that theory to be true. And with your past support of Tennysen Center for Children at Colorado Christian Home, you have shown that **one person CAN change the lives of so many children.**

The children in our residential treatment program have at least one thing in common: because of the severity of the abuse which they have suffered, they have been removed from their families and Tennysen Center is now their temporary home.

The good news is that the time required for successful treatment of children in our residential cottages has actually lessened – to an average of 7 months. **You see, there is light at the end of the tunnel...**kids who come to Tennysen Center for Children will be getting the help they need in less than a year!

But while they are here, **they need YOU to be their champion.** That's why I'm asking you to truly exercise your **POWER OF ONE by becoming a member of Tennysen Center's Cottage Circle program.** You have been so generous with your past commitments to the kids we serve and **now I'm asking you to advance your commitment to an even greater level.**

When you join our Cottage Circle program, your commitment of care comes in the form of a recurring gift, either monthly or quarterly. It's the kind of support that offers greater stability to our base of funding, which is so vital to the successful treatment of the children we serve.

Membership in the Cottage Circle program allows you to essentially become part of a cottage "family" where your recurring gift will help each child residing in that particular cottage in so many different ways. Participation in this program allows the support of just ONE person to go so much further by helping an entire residential cottage. **This program truly demonstrates the POWER OF ONE.**

You will play a vital role in the progress and development of so many children. In addition to serving the children currently residing in a cottage, your support will help other children who will require our services in the future. You see, as one child graduates from our residential treatment program, **support for the next child arriving at one of our 5 residential cottages will already be in place.**

As a member, you will receive periodic updates with our "Cottage Connection" newsletter on the children you'll be supporting. Here's just a few of the things your recurring gift will provide:

- **24-hour supervision, therapy and guidance from specially trained professionals**
- **Specialized education for all children in that cottage**
- **New, clean clothes and nutritious, healthy meals**
- **Linens, toiletries, blankets and other basic essentials**
- **Recreational items such as video players, televisions and books**
- **Field trips and outings to educational exhibits, sporting events and fun places many of these children have never been to before**
- **And so much more!**

You can join right now with a gift of as little as \$25 per month---that's less than a dollar per day! That's such a small price to pay for the incredible difference you'll be making in the lives of these children. As a valued member of this program you will have several giving options: from payment frequency (monthly, quarterly or annually) to how your payment is made (electronic fund transfer, credit card or coupon payments by check).

By exercising the POWER OF ONE, you are helping to ensure that the children in our residential treatment program will have the funding necessary to provide them with a successful journey on their road to recovery.

As always, thank you so much for caring.

For the Children,

Bob Cooper, President/CEO

P.S. Remember, in addition to being tax-deductible, your gift to us is now eligible for a 50% Colorado state income tax credit. So you can pay less tax while helping a child in need.
